"Voluntary Retirements.

The present Scale of Allowances for Voluntary Retirements in the case of the under-mentioned Officers (under the Order in Council of the 22nd February 1870) to be abolished, and the following substituted:—

When permitted to retire	to receive
Lieutenant-Colonels, with 30 years' service - -	£365 a year.
" with 28 and less than 30 years -	£300 "
" with 25 and less than 28 years -	£260 "
" with less than 25 years - -	£225 "
Majors, with 25 years' service - - -	£260 "
" with 22 and less than 25 years - - -	£225 "

Officers when permitted to retire with less than 22 years' service are to be granted gratuities as follows:—

After 20 years' service, a gratuity of £2,400.
After 18 years' service, a gratuity of £2,000.
After 15 years' service, a gratuity of £1,600.
After 12 years' service, a gratuity of £1,200.

These gratuities not to be granted without the consent of the Treasury, and only for the purpose of reducing the number of Officers compulsorily retired on 22 years of service; and no addition to the number of fresh entries to be made in consequence.

The above rates of Retired Pay shall not apply to any Officer who entered the service prior to the 1st April 1870, and all such Officers, on their retirement, whether compulsory or voluntary, for periods stated in these regulations, shall be entitled to receive the Retired Pay which they would have claimed under the Orders in Council of the 22nd February 1870 and 5th January 1872, under the same conditions of age and service.

"12.—*Retirement from ill-health, &c.*

Officers incapacitated by illness, &c. after only short service to be granted, instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of annuity, upon the following conditions, which are the same conditions as those imposed upon Officers by the 151 and 152 Articles of the recent Royal warrant, viz.:—

An Officer who may become unfit for service in consequence of wounds received in action, or ill-health contracted *in and by* the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity occur for his re-employment. Except in the case of wounds received in action, the Officer shall, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

In the case of an Officer placed upon temporary half pay in consequence of injuries caused while on duty by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age.

All service for the purposes of gratuity, pension, and retirements to count from the age of 22 years, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 as if appointed before that age, and from the date of their Commission if appointed after 18."

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the time included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

For all Cadets entered under these regulations, the usual rate of payment will be at the rate of 70*l.* per annum for the period in the "Britannia," to be paid quarterly in advance to the Accountant-General of the Navy.

But the Lords Commissioners of the Admiralty reserve the power of selecting from among the candidates nominated at each half-yearly examination, a number, not to exceed 10, being sons of Officers of the Royal Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the usual payment for the two years in the "Britannia" will be 40*l.* only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the Cadets.

No application for admission on such reduced scale will be entertained unless made *before* the candidate is entered.

The period of training on board the "Britannia" will be, as now, four terms; there will be two terms in each year. The first term of each year will be from February to July, the second from August to December. The vacations will be five weeks at Christmas, two weeks at Easter, and six weeks at Midsummer.

There will be examinations in Seamanship and Navigation at the end of each term.

Cadets who pass unsatisfactory examinations at the end of any term will be "warned," and they will be liable to be discharged at the end of the following, or any subsequent, term, should they again be reported as failing to attain the proper number of marks at the examinations.

The same rule will apply to Cadets who may be reported for unsatisfactory conduct during their service in the "Britannia."

Any Cadet who shall have been specially reported by their Lordships as for any reason unfit for the Service will be removed from the Navy.

Cadets will, on passing out of the Training Ship, be rated according to the order in which they pass their final examination.

The parent or guardian of every Cadet will be required to provide outfit as under the regulations in force from time to time, and to sign a declaration (on the admission of the Cadet to the "Britannia") to the effect that he shall cause him to be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Royal Navy.

Candidates entered under these regulations must understand that they are liable, at any period of their service subsequent to the date of their leaving the Training Ship, to be selected to qualify for the Gunnery or other Executive Branches of the Service at the discretion of their Lordships; who will, however, only exercise the power of selection in the event of there not being a sufficient number of volunteers for such duties.

By Command of their Lordships,

ROBERT HALL.

The Naval Cadets who join the "Britannia" are to pass four terms—two in each year—to complete their course of study; at the expiration of which they go up for examination.

The terms are from about the 1st February to the 20th July, and from about the 31st August to the 20th December; and the vacations will be six weeks in Midsummer, two weeks at Christmas, and two weeks at Easter, the dates of commencement of vacation depending upon the completion of the examinations by the Royal Naval College, Greenwich.

The friends of the Cadets must be prepared to receive them during all the vacations.

The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia":—

8. The Cadets have a weekly allowance, and all expenses attending their amusements are paid for by the Ship. It is therefore requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed Ten Shillings. It is particularly requested that this Regulation be adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

9. It is particularly requested that the Cadets bring their Linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and that the outfit, as required, be complete.

10. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

11. Should there have been any infectious disease in the house where Cadets have been staying during their holidays, notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia"; and they are not to join until they have received a communication from him to that effect.

12. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

13. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security, until they return to their homes. Silver Watches will be allowed to be used.

Their Lordships Commissioners of the Admiralty are pleased to direct that the following Regulations, relating to the Examination of Candidates for the Appointment of Surgeon in the Royal Navy, shall in future be observed:—

1. Any Candidate desirous of presenting himself for examination to the Naval Medical Service must be not less than twenty-one nor over twenty-eight years of age.

2. He must produce a certificate from the District Registrar, in which the date of birth is stated; or, if this cannot be obtained, an affidavit from one of the parents or other relative, who can attest the date of birth, must be produced. He will also attest his readiness to engage for general service, and to proceed on foreign service when required.

He must be registered under the Medical Act in force at the date of his appointment, as licensed to practise Medicine and Surgery in Great Britain or Ireland.

The Certificates of registration, character, and age must accompany this Schedule when filled up and returned.

The eligibility of each Candidate for the Naval Medical Service will be determined by the result of the examinations in these subjects only.

Candidates who desire it will be examined in Comparative Anatomy, Zoology, Natural Philosophy, Physical Geography, and Botany, with special reference to Materia Medica; also in French and German; and the number of marks gained in these subjects will be added to the total number of marks obtained in the obligatory part of the examination by Candidates who shall have been found qualified for admission, and whose position on the list of successful competitors will thus be improved in proportion to their knowledge of these branches of science.

6. After passing this examination, every Candidate will be required to attend one entire Course of Practical Instruction in the Medical School at Netley, on—

(1) Hygiène.
(2) Clinical and Naval and Military Medicine.
(3) Clinical and Naval and Military Surgery.
(4) Pathology of Diseases and Injuries incident to Naval and Military Service.

7. At its conclusion, the Candidate will be required to pass an examination on the subjects taught in the School.

If he give satisfactory evidence of being qualified for the practical duties of a Naval Medical Officer, he will be eligible for a Commission as Surgeon.

8. During the period of his residence at the Netley Medical School, each Candidate will receive an allowance of 5s. per diem with quarters, or 7s. per diem without quarters, to cover all costs of maintenance; and he will be required to provide himself with uniform (viz., the Regulation undress uniform of a Surgeon, but without the sword).

FLEET CIRCULAR No. 5.—C.

Admiralty, 27th March

The entry of Navigating Cadets having ceased, their Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and the carrying out of the necessary arrangements for the present Navigating class of officers.

1. Circular No. 49 C, of 7th August, 1873, and No. 3 of 3rd October, 1876, are hereby superseded. All provisions, so far as they are retained, are contained in this circular.

2. Lieutenants, under four years' standing, Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Captains, be accepted, and required to pass the Pilotage Examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. A Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be required to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing their Navigating duties for three years, pass for First-Class Pilots. Commanders must have passed for First-Class Pilots either as Lieutenant or Commander, to be considered as Navigating officers.

The Captains of the ships in which they serve will take care that facilities are afforded these officers to keep up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called upon to do so, until promoted to the rank of Captain.

7. They will be required to take a share in the ordinary duties of their ships, such as Watch-keeping as Divisional Officers, &c., as in the case of other Lieutenants. But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigating duties be senior to the Senior Officer appointed for Navigating Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to relieve himself the routine duties of the Executive Officer, except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the rank of Captain in the Service; and, as Captains and Commanders, as well as Staff-Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[*Circular No.* 8 (*C*) *of* 30*th Jan.* 1874, *p.* 5.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure in part either of Midshipmen to pass their examination in Seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's ship "Excellent," and hereby direct that for the future one month's seniority shall be forfeited for such rejection.

By command of their Lordships,

EXAMINATION OF ACTING SUB-LIEUTENANTS IN GUNNERY AND NAVIGATION FOR THE RANK OF LIEUTENANT.

[Revising par. 5 of Circ. No. 5 C., of 30th January, 1874.]

The Lords Commissioners of the Admiralty have under their consideration the arrangements now in force for the examination of Acting Sub-Lieutenants in Gunnery and Navigation for the rank of Lieutenant.

Under the existing regulations Acting Sub-Lieutenants on arriving in England, after having passed their examination in Seamanship, join the "Excellent" for a course of gunnery instruction, remain there for three months, and having completed the course successfully, proceed thence to the Royal Naval College for a further six months' course of instruction, presenting themselves for their final examination.

My Lords consider that if Acting Sub-Lieutenants were to join the College first, after arrival in England, they would be better prepared to commence the course of instruction than they are now after the intermediate period during which their attention is necessarily, been almost wholly concentrated on the subject of Gunnery; and, also, that by going through

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE AND RETIRED LISTS.

ORDER IN COUNCIL, No. II.—C.

At the Court at Osborne House, Isle of Wight,
The 4th day of August 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"'Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion.'

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"'Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea.'"

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships at Ascension, Port Royal, Hong Kong, Rio Janeiro, and at such other Foreign Ports as We may determine), and Service in First Rate Ships (Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to rank as Sea Service.'

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Officers who, as Lieutenants qualified in Navigation, Gunnery Lieutenants, and also in some other cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"'(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Rate (Reserve (Coast Guard) Ship, subject to the following conditions:—

"'1. Three years served in any Harbour Ship, or in a Reserve (Coast Guard) Ship, or in both such Ships, as Lieutenant or Commander, or in both ranks combined, shall count as Sea Service, and two years as Sea Service in a Ship of War at sea.

"'2. Three years served either as Captain or Commander, between August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship, or First Rate (Reserve (Coast Guard) Ship, or partly as Captain in command of such Ship, and partly as Commander in such Ship, shall count as Sea Service, and two years of such Sea Service in a Ship of War at Sea.

"'This shall not apply to any Officer who has served before 1st August 1873.

"'3. Service subsequent to 1st August 1873 as Captain in command of Harbour Ships and to First Rate (Reserve (Coast Guard) Ships at Home, and in Harbour Ships and their Tenders, shall, in such a case as is specified in clause 2, count as Service in a Ship of War at sea.'

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight, *The 5th day of August* 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.	Total 68.

35 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplement-

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . .	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

ORDER IN COUNCIL, No. 8.—C.W.

At the Court at Osborne House, Isle of Wight.

The 21st day of July 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1870, in the words following, viz.:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank by Your Majesty's Orders in Council of 22nd February 1870 and 4th August 1873, and who, not having the requisite sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1875, Captains are entitled to one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We must therefore submit to your Majesty that Commanders who have already been retired, or who may hereafter retire without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may, at their discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,
The 18th day of May 1870.

Present:

QUEEN'S most Excellent Majesty in Council.

Her was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of May 1870 in the following, viz.:

"Since by Your Majesty's Orders in Council of the 28th February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Engineer Officers of Your Majesty's Fleet: Whereas we consider it is desirable that further regulations be made with certain points connected with the Scheme should then sanctioned, we would humbly propose to Your Majesty:

"As regards service of Officers on Committees or Boards of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a liberal portion of such service to count as full service for Pay, Half-pay, and Retirement, though not as full service to save Officers from compulsory retirement on account of non-service; we would therefore humbly submit that we be empowered to allow Officers to count such portion of the time so employed, namely, up to two years as Committees and Commissions, as full service, and beyond as two-thirds of full time; but the time so allowed in addition to what an Officer would have been entitled to if his Committee time had counted as Half-pay, not to be two years.

"As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, ill-health, or otherwise; and we deem it advisable to allow him such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be increased according to the total period of service he would have completed, reckoning his civil employment as service for this purpose.

"As regards promotion on the Lists of Navigating Officers, and in the ranks of Paymaster and Engineer, we would submit to Your Majesty, that it is desirable to fill up not more than one in four of the vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,
The 5th day of February 1872.

Present:

QUEEN'S most Excellent Majesty in Council.

Her was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January in the words following, viz:—

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to retire Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, for certain duration, should not be unrecognized: We do most humbly submit that Clause 6, paragraph 1 of the said Order in Council be cancelled, and that We be authorised to make the following regula-

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:—

After 10 Years' Service	.. ..	£ 50 per annum.
" 15 "	.. ..	£100 "
" 20 "	.. ..	The amount earned by service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than 10 years' service will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those List, and to maintain a steady and more equal flow of promotion, it is necessary to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February 1870, the numbers now borne being in excess of the requirements of Your Majesty's Service; we would, therefore humbly propose to Your Majesty—

"2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.

"3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.

"4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters, of whatever age, be retired, with their consent and at our discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February 1870.

"5. That until the Active Lists of Assistant Paymasters, Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion—

"(*a.*) If under three years' standing, with pay of two shillings and sixpence per diem;

"(*b.*) If of three years' standing, with pay of two shillings and sixpence per diem, and for every complete year beyond three, served as Assistant Paymaster, until the maximum is reached, viz., six shillings per diem, the same rate as those laid down by Her Majesty's said Order in Council of 22nd February 1870.

"6. That until the list of Paymasters shall be reduced to the number proposed we be allowed to promote to the rank of Paymaster such vacancies caused by death or compulsory retirement as may not exceeding ten in any one year; but that in the case of voluntary retirement no promotion be made.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have the concurrence of the Lords Commissioners of Her Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

HER MOST Excellent Majesty in Council.

There was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty dated the 7th of August 1872, in the words following, viz.:—

"We have had under our consideration the Service of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, and the provisions of Your Majesty's Order in Council of 22nd February 1870, and especially to the effect that Service shall mean Service on Full-pay; that Inspectors-General are not called upon to take charge of Naval Hospitals at home; and that by the Order in Council of the 7th August no Deputy Inspector-General of Hospitals shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall have served five years as a Deputy Inspector-General, during three years of which period he shall have been in charge of a Foreign Hospital, or of a Fleet or Squadron; and whereas a Deputy Inspector-General cannot serve otherwise than in the capacities mentioned, except in charge of a Naval Hospital at home; and whereas the service of any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad, though not Service on Full-pay, is upon salary equal thereto, we are of opinion that Service by any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad should be held to be Service for the purposes of the said Order in Council of the 22nd February 1870; and we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to give directions accordingly."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

2. Surgeons to be denominated "Fleet Surgeons," and Assistant Surgeons, second Class, simply "Staff Surgeons," the distinction in rank between these officers to be denoted by a small difference in the lace of the Staff Surgeon, who, instead of a stripe of gold lace round the sleeve of the coat the Fleet Surgeon will wear, will wear a stripe of gold lace with a stripe of narrow gold between.

5. Fleet Surgeons and Staff Surgeons to be placed on the same scale of retirement as Chaplains and Naval Instructors, Secretaries, and Paymasters; that is, the *maximum* to be 450*l.* per year instead of 400*l.*
6. Fleet Surgeons to have the option of retiring after 20 years' Full-pay service in all ranks at 15*s.* per day, and after 25 years' Full-pay service at 21*s.*, subject in each case to their Lordships' approval, but of those now on the list not more than 10 to retire under this clause in each year (the Officers having the option according to seniority), unless their Lordships should approve (with the consent of the Treasury) of a larger number so retiring. Applications from Officers wishing to retire under this clause should be lodged at the Admiralty before the 30th November in each year, in order that they may be dealt with, according to seniority, before the end of the year.
7. All Medical Officers hereafter entered to have the option of so retiring, subject to the approval of their Lordships in each case.

Remarks.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions of the rank of their husbands at the date when they were last on the Active List, unless specially provided in the Table. An exception, however, to this rule is made in the case of retired Captains when advanced to Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting Widows' Pension are never retrospective.

For Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers, see the other Regulations respecting these Officers.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the ble given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty:—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commissioned Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1830, or who were on the Active List of Chief or other Warrant Officers on 1st October 1875, or subsequently placed there case the limit of age is sixty.

6. If the marriage took place subsequent to the Officer commanding his Retired Pay, or if the Officer, after having been retired, removed his name from the List of the Navy, although the marriage may have taken place before such retirement.

7. The Pensions of Widows whose private incomes have, after their Pensions have been awarded, increased beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended so long as their private incomes exceed such limit, but may be restored again in the event of their private incomes decreasing within the limit.

8. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having served five complete years' seniority as Commission Officers (including service in junior ranks as Commission Officers), except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Husband has five years' seniority, was in good health when he was married, and it be clearly shewn that the disease which occasioned his death was not brought on by any neglect, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

9. The Widows of Warrant Officers (Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year acting time, immediately before confirmation, and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension after her Husband's name was on the List at the time of his death, nor unless she shall have been married to or prior to her Husband's service in the Navy, unless her Husband shall have served One Year on full Pay subsequent to their marriage, and shall have attained the length of time to entitle him to Retired Pay. Provided, however, he had completed Ten Years' Service on full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married shall, on the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their marriage, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the time of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof addressed to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and is otherwise deserving the Public Bounty, and is again liable to suspension during futur

13. [illegible], in consequence of re-marriage, either before the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from the Fund, may either revert to her first Pension, or to the Pension for which her second marriage may render her eligible, whichever is most to her advantage.

14. Every Officer, whether on Full, Half, or Retired Pay, in order to facilitate the decision upon the claims of his Family, after his decease, to the benefit of these Regulations,—notify his marriage *within one month* after the same took place, to the Admiralty, according to the Form given.

15. With respect to marriages contracted in Scotland, they will be admitted, for the purposes of these Regulations, only when they can be proved either by an extract of the Register of the Kirk Session, or other legal record of the Parish in which the marriage shall have been celebrated, or by an acknowledgment of a Marriage to be produced to the Admiralty, made and subscribed by the Parties themselves *in Scotland*, in presence of a Witness, according to the Form given or a Decree of Declarator of Marriage.

16. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commission Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of other Officers holding such rank shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore; and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; and posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or other wise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commission Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital are not eligible for Compassionate Allowances, but, on their ceasing to be chargeable to

Greenwich Funds, they may be placed on the List of the Compassionate Fund, if otherwise eligible.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are not considered eligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Standing at the time of his death.

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

A commander-in-chief or other flag officer below the rank of admiral shall not share in any prize or prizes taken by any ship or vessel out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer shall be expressly authorised by Our said commissioners to take upon himself the command of that station in which the prize or prizes may be taken, and shall actually have taken upon himself such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the third part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the Admiral and commander-in-chief of Our fleet, and also the first captain to every flag officer appointed to command a fleet of ten sail of the line of upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall hold commissions from more than one shall be entitled to share in such prize or prizes according to the rank allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commissioned officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of that station until he shall have received some order to the contrary from, or be acting in the execution of some other order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander, or navigating lieutenant commanding, of every flag officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or becoming entitled to the distributive benefit arising from the proceeds, reward, grant, bounty, salvage, or other benefit aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, and if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a ship of the line having a commander under the captain the commander shall take a two-tenth part as the captain, the commander of a sloop according to the proportions hereinafter set forth; and if more than one commander of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination the one-tenth shall be so divided into parts hereinafter stated appointment as to provide for each captain having six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion to which they shall respectively share; commodores of the

Tenth class:—Ship's steward's boy, signal boys, bugler boys, boys first and second class, one share each.

And with respect to supernumeraries, we do hereby direct:—

1st. That all supernumeraries holding ranks in the service above the ranks or ratings specified in the fifth class of this Our proclamation who have been ordered to do duty in any of Our ships and vessels by the Lord High Admiral, by Our Commissioners for executing the office of Lord High Admiral, by the senior officer of the fleet or squadron, or if none senior then by the captain or commanding officer of the capturing ship or vessel, if not by special authority employed in higher capacities, shall share according to the ranks which they respectively hold in the service; but in all cases, to qualify them for so sharing, and not merely as supernumeraries in the ninth class, due notation of their being thus respectively ordered to do duty must be made on the victualling lists and prize lists.

2nd. That all supernumeraries holding ratings in the service below the denominations of those specified in the fourth class of this Our proclamation, and who at full victuals are engaged in the ordinary duties of the ship, shall always share according to the ratings which they bear in the service.

3. That no interpreter shall share in any proceeds, bounties, or awards as aforesaid, except by the special permission of the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral for the time being.

And in order that Our royal intentions herein may be duly carried into effect, We further direct that when any capture or seizure is made, or service performed for which a distributable grant or reward is to be made, or is expected to be conferred or awarded to any of the ships or vessels of war, the captain or commanding officer shall transmit or cause to be transmitted, as soon as may be, to the secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, soldiers, and others who were actually on board on the occasion, with a notation thereon, stating whether any other of Her Majesty's ships or vessels was in sight at the time of the capture, accompanied by a separate list containing the names of those belonging to the crew who were absent on duty or otherwise at the time, specifying the cause of such absence, each list to contain the quality of the service of each person, with their several ratings, and to be subscribed by the captain or commanding officer, and three or more of the chief officers on board.

And when the list of those actually on board, with the separate list of persons absent, though belonging to the ship or vessel, shall have been verified on examination with the ship's books lodged as official records, the Accountant-General of Our navy and Comptroller of Navy pay shall grant a certificate that such lists are correct or have been corrected, as occasion may require, in order that distribution of the respective prize or other proceeds payable as prize or salvage money may be duly made in the department of the Accountant-General of Our navy and Comptroller of Navy Pay.

And in the event of difficulty arising with respect to any of the regulations hereby ordered, or if any case should occur not herein provided for, or not sufficiently provided for, We are pleased hereby to authorise the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, to issue such directions thereupon as may appear just and expedient; which directions shall have the same force and effect as if specially provided for in this

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1850, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall within a month after the termination of each proceeding send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Admiralty, 6th Ju[ly]

SIR,—My Lords Commissioners of the [Ad]miralty having had under their consideration a que[stion] to the Freight Money to be allowed for [Spe]cie deposited on board His Majesty's ships for re[mit]tance, have decided that freight for such a deposit shall be paid as if such deposit were a conveyance from one station to another within the same station, and not divided (where it has been on board more than one of His Majesty's ships) among the Captains, as the case of conveyance would have been;—in all cases of Specie deposited in Greenwich Hospital is to have a share; and when the Specie is deposited, new bills of lading, or new orders to the Masters, either on board another ship or the same ship, as may be made, the freight established for such deposit is to be the same as the Order in Council is to be charged, over and above the freight which might be already due on the Specie at the time of such deposit.

I have it in command from their Lordships to desire you therewith for your information and guidance.

I am, &c. &c.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex

and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys,. Rupture, weakness or distension of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non-descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had small-pox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

...D CONDUCT MEDALS AND GRATUITIES.

Circulars Nos. 78, P, of 10th December, 1874, ... 2nd April, 1875, No. 11, P, of 1st July, 1876, ... Letter, P, of 2nd August, 1875, viz.:—

... regulations for Medals and Gratuities are ... ... applicable irrespective of the complements of ... Majesty's Ships, it being the intention of the Lords Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

(*b*). The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities, and may be given to every man who deserves it in the ship in which he may be serving, regardless of his former history; *but the award of such character shall not of itself give any claim to medal or gratuity.*

(*c*). This word is to be entered, annually on the 31st

of December, and on discharge from Ships, by the commanding Officers of Her Majesty's Ships and Vessels, on the Parchment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(*d*). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(*e*). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(*f*). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disrated for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(*g*). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

> NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.
>
> A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(*h*). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(*i*). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(*k*). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(*l*). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-Class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

(*d*) The Brigade of which it will form a part.
(*e*) That a proper place will be secured for the safe custody of any Government arms and ammunition which may be issued.

The "Royal Naval Artillery Volunteer Force" takes precedence immediately after the "Royal Naval Volunteers," established by the Act of 1859.

Officers of the Royal Naval Artillery Volunteers rank with, but after, Officers of the Royal Navy and Royal Naval Reserve of their respective ranks.

All Officers of the Royal Navy Artillery Volunteers will be commissioned by the Admiralty.

The Commanding Officers of Brigades will recommend, for the consideration of the Admiralty, names of persons for the appointments and promotion of officers in their Brigades.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

If any person recommended for an appointment as an Officer holds a commission in the Royal Navy or other Force, the nature of such commission should be stated in the letter of recommendation.

Officers on Full Pay in the Navy or Army are not eligible for other than honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff-Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1866," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The drills of the Royal Naval Artillery Volunteers will comprise the drills for Great Guns, Rifle, Pistol, and Cutlass, as in the Royal Navy, and no deviation from those drills is to be permitted.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

Digitized by Google

The Badge will consist of a chevron of silver lace worn on the right arm above the wrist.

Men who have been five times returned as efficient may wear one star, and those who have been returned ten times may wear two stars above the badge.

Volunteers who pass the examination for Trained Man, as in the Royal Navy, will be so designated, and will wear two chevrons of silver lace on the right arm above the wrist.

Every Volunteer must attend at least two drills a month until he has obtained the standard of an "Efficient."

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a [illegible] regiment, troop, or company, in which the [illegible] General, or other Officer commanding such [illegible] deem that all are equally brave and distinguished, that no special selection can be made by them; in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of [illegible] one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer, Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged, and two Seamen or Private Soldiers, or Marines, [illegible] lected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration, and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration, if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar to be given under rule four on such Warrant or Petty Officer, Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this mark of honourable distinction, it is ordained, that if any person to whom such distinction shall be conferred, be guilty of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and do not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the Registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred by rule fourteen shall cease and determine from the date of such Warrant. yal Warrant was given under Our Royal Sign
Manual, bearing date the 7th March 1866, in the 29th
Our reign, "instituting a new decoration to be
the Albert Medal,'" and such Warrant was in
following, that is to say :—

VICTORIA R.

ria, by the Grace of God, of the United King-
Great Britain and Ireland, Queen, Defender of
Faith, &c., to all to whom these presents shall come,
greeting:

as We, taking into Our Royal consideration
loss of life is sustained by reason of ship-
other perils of the sea; and taking also into
the many daring and heroic actions per-
mariners and others to prevent such loss and
lives of those who are in danger of perishing
wrecks and perils of the sea; and taking
sideration the expediency of distinguishing
by some mark of Our Royal favour;
the purpose of attaining an end so desirable
warding such actions as aforesaid, We have
and created, and by these presents for Us, our
successors, institute and create, a new Deco-
which We are desirous should be highly prized
and sought after, and are graciously pleased to
make, and establish the following rules and
orders, for the government of the same, which shall
hereafter be inviolably observed and kept.

"First.—It is ordained that the distinction shall be
known as 'The Albert Medal,' and shall consist of a gold
oval-shaped Badge or Decoration enamelled in dark blue,
with a Monogram composed of the letters V. and A.,
interlaced and an Anchor erect in gold, surrounded with
a Garter in bronze, inscribed with the words 'For Life at Sea,' and surmounted
by a Crown in Saving Life at Sea,' and surmounted
by a representation of the Crown of His Royal Highness
Albert Prince Consort, and suspended from a
blue riband of five-eighths of an inch in width with
three longitudinal stripes.

"Sixthly.—It is ordained, that the Medal shall be
worn suspended from the left breast.

"Seventhly.—It is ordained, that the names of those
persons to whom We may be pleased to confer the Decoration
shall be published in the 'London Gazette,' and a re-
gister thereof kept in the Office of the Board of Trade.

"Eighthly.—It is ordained, that anyone who, after
having received the Medal, again performs an act which,
had he not received such Medal, would have entitled
him to the same, such further act shall be recorded by a bar
attached to the riband by which the Medal is suspended;
and for every such additional act an additional bar may
be added.

"Fifthly.—It is ordained, that the Medal shall only
be awarded to those, who, after the date of this instru-
ment, have, in saving or endeavouring to save the lives
of others from shipwreck or other peril of the sea,
endangered their own lives, and that such award shall
be made only on a recommendation to Us by the Presi-
dent of the Board of Trade.

"Sixthly.—In order to make such additional provi-
sion as shall effectually preserve pure this most hon-
ourable Distinction, it is ordained, that if any person
on whom such Distinction is conferred be guilty of any
crime or disgraceful conduct which in Our judgment
forthwith be erased from the registry of individuals
disqualifies him for the said Decoration, his name shall
upon whom the said Decoration shall have been con-
ferred by an especial Warrant under Our Royal Sign
Manual, and his Medal shall be forfeited. And every
person to whom the said Medal is given, shall, before
receiving the same, enter into an engagement to return
the same if his name shall be so erased as aforesaid
under this regulation. It is hereby further declared,
that We, Our heirs and successors, shall be the sole
judges of the circumstance demanding such expulsion.
Moreover, We shall at all times have power to restore
such persons as may at any time have been expelled to
the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867 in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "*The Albert Medal,*" and instituting in lieu thereof two new Decorations, to be styled respectively "*The Albert Medal of the First Class,*" and "*The Albert Medal of the Second Class;*"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows :

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled '*The Albert Medal of the First Class,*' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter

in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled *'The Albert Medal of the Second Class,'* and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith by erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class"* to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept:

First.—It is ordained that *"The Albert Medal of the First Class,"* when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that *"The Albert Medal of the Second Class,"* when conferred for Gallantry in saving life on land, shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "London Gazette," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, railways, or at fires, or other peril within Our dominions, or other than perils of the sea, have endangered their own lives, and that such award shall be made only on the recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall forthwith be erased from the register of those upon whom the said Decoration shall have been conferred by especial Warrant under Our Royal Sign Manual, and the said Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and sixty-seven, in the Fortieth year of Our reign.

This document will not be issued more than once to the same officer; and it must, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
